Date: February 21st (Tue.) ~ March 10th (Fri.) (Sunday CLOSED)

Time: 10:00 - 16:30 **Admission - FREE of charge**

Venue: Hyogo International Plaza, 2F, International Gallery

When Sweden is blanketed with snow, children have great fun skating, skiing and playing outdoors. And in the evening, snug in mom or dad's lap, they enjoy children's books written by well known Swedish authors.

We welcome you & your children to come and explore the wonders of Swedish children's books.

Just think about all the adventures you and your child will cherish and talk about.
